In what is now an annual tradition, Sunshine Coast Council has partnered with the team at *My Weekly Preview*, who are great supporters of our healthy, smart, creative region, to publish all the event information you need in this special edition.

It's your most comprehensive guide to what's on in our region.

In these pages you will find a wide range of council-supported Christmas and New Year events which reflect the lifestyle, cultural values and diversity of our Sunshine Coast community.

There are many highlights to look forward to, including:

This year there are 20 locations with council decorated trees adding Christmas cheer to our local communities. All of the trees use LED lighting to align with council's commitment to sustainability. The majority of trees will be illuminated from December 1, with some local communities hosting events to officially turn on the lights as part of the festivities. The lights should be shining in all trees by December 10.

Beach Terrace is where you will find all the fun of a giant slide, live music by locals and a mix of food and market stalls.

The Sea Stage will feature live music by locals Alfanant, Andrea Kirwin and Bearfoot, before the early fireworks followed by energetic DJ sets on the beach to keep people dancing 'til midnight.

The Kids Zone near the playground (adjacent The Surf Club) will be the place for kids face painting and activities, jumping castle and the opportunity to meet and greet the four Teenage Mutant Ninja Turtles and Peter Rabbit.

To reduce our impact on the environment, BYO empty water bottles and refill at the hydration stations. Chemical glow sticks and glow products will not be allowed into the event (battery operated LED products are acceptable).

## RUDOLPH THE RED-NOSED REINDEER

Rudolph the red-nosed reindeer  
had a very shiny nose.  
And, if you ever saw it  
you would even say it glowed.

All of the other reindeer  
used to laugh and call him names.  
They never let poor Rudolph  
join in any reindeer games.

Then one foggy Christmas Eve,  
Santa came to say:  
"Rudolph with your nose so bright,  
won't you guide my sleigh tonight?"

Then all the reindeer loved him  
as they shouted out with glee:  
"Rudolph the red-nosed reindeer,  
you'll go down in history."

*It wouldn't be Christmas on the  
Sunshine Coast without a Christmas  
Carols' event or two. Here are three of our  
favourite songs to get you in the spirit.*

## AWAY IN A MANGER

Away in a manger, no crib for a  
bed, the little Lord Jesus laid down  
his sweet head.  
The stars in the bright sky looked  
down where he lay, the little Lord  
Jesus asleep on the hay.

The cattle are lowing, the baby  
awakes, but little Lord Jesus no  
crying he makes.

I love you, Lord Jesus; look down  
from the sky, and stay by my side  
until morning is nigh.

Be near me, Lord Jesus, I ask you to  
stay close by me forever, and love  
me, I pray.

Bless all the dear children in your  
tender care, and take us to heaven  
to live with you there.

## SANTA CLAUS IS COMING TO TOWN

You better watch out  
You better not cry  
You better not pout  
I'm telling you why  
Santa Claus is coming to town.

He's making a list  
And checking it twice  
He's gonna find out  
Who's naughty or nice  
Santa Claus is coming to town.

He sees you when you're sleeping  
He knows when you're awake  
He knows if you've been bad or good  
So be good for goodness sake.

You better watch out  
You better not cry  
You better not pout  
I'm telling you why  
Santa Claus is coming to town.

He sees you when you're sleeping  
He knows when you're awake  
He knows if you've been bad or good

## 99 AIRCRAFT ON SITE

Queensland Air Museum recently acquired its 99th historically significant aircraft, a Macchi Trainer operated by the RAAF from 1971 and delivered to the Caloundra museum in early October. This acquisition follows quickly after the Orion P3, which rests at the Sunshine Coast Airport pending disassembly, transport to Caloundra, and reassembly – a huge challenge for the a 60-tonne aircraft with a

30-metre long wingspan. There has been a lot going on at the QAM recently with acquisitions and restoration works. And, with 99 historic aircraft and many other displays, the museum is the ideal spot to spend several memorable hours these school holidays.

## THE PIANO BAR MAROOCHYDORE

Jazz, wine, cocktails and tapas – what more could you want for a good night out? This gorgeous Mediterranean-inspired bar (think Spain, France, Monaco, Malta, Italy, Croatia...) with live music almost every night of the week, is the place to socialise in style. Sip on a cocktail under the mood lighting as tummy-tempting scents waft from the kitchen and smooth music entertains. December will bring piano soloists, flamenco music and funky jazz.

And, be sure to mark New Year's Eve in the diary as The Piano Bar hosts a Gatsby-themed celebration. Guests can dress up and enjoy live music by BB & The Kings at the ticketed event.

## RED SEA MAROOCHYDORE

What would the Christmas holidays be without a delicious meal made from fresh and local seafood?

Red Sea has been operating on the Sunshine Coast for six years and is known for its steak and seafood specialties.

All seafood is locally sourced, while the meat eaters will be pleased to learn that the beef featured on the menu is grass fed.

Of course, no visit to Red Sea is complete without sampling the Coast-famous seafood platter – delicious!

All meals are available takeaway and the venue specialises in functions.

## LA CANTEENA MAROOCHYDORE

A secret slice of Mexico, hidden down an alleyway off Ocean Street, La Canteena is the perfect spot to unwind in the sunshine or enjoy a cerveza under the stars. From killer cocktails to contemporary Mexican feasts, it's no wonder this little nook has become a favourite hangout for locals to chill-out and fill-up.

On Wednesdays they offer \$3 tacos, on Thursdays they throw a 50 cent wings deal, Fridays are two-for-one lunch, and on Sundays there's a \$5 menu until 5pm, with live music every Sunday evening. With prices like that, there'll be lots of change leftover for a cheeky margarita or three!

## SOLBAR MAROOCHYDORE

Solbar's known on Ocean street for great pub grub with an international flare. With influences from a multicultural team of chefs, the menu is big on variety, value and flavour. While there's loads of fantastic pub-style fare to choose from, Solbar's pretty famous for their pizzas, making it an alfresco hot-spot for group dining. They also serve a mean breakfast Friday through to Sunday. Be sure to check the blackboard for specials as the chef's love to surprise regular diners with unexpected dishes from around the world. Be sure to check out this cool venue – you won't regret it.

# Festive recipes...

*There is something special about getting into the kitchen and bringing a Christmas menu to life. Christmas food is about fresh, festive ingredients, and love!*

## GLAZED HAM WITH ROASTED APPLES

*This recipe is great for any sized ham.*

### Ingredients

- 1 smoked ham
- ¾ cup apple sauce
- ½ cup dijon mustard
- ¼ cup packed light brown sugar
- ¼ cup apple cider vinegar
- ¼ tsp ground cloves
- 1 tbsp chopped rosemary
- 8 small apples, halved

### Method

Preheat the oven to 170 degrees, or fire up the barbecue. Remove skin from ham if there is one. Score the top of the ham in a crosshatch pattern. Place the ham, fat facing upwards, in a large roasting pan. Combine the apple sauce, mustard, brown sugar, vinegar, rosemary and cloves in a bowl until smooth. Brush the ham with some of the glaze and bake for 20 minutes. Add the apples to the pan, cut-side up, and return to the oven/barbecue. Be sure

to turn the apples over in the last 20 minutes. Bake for one hour for a small ham and one to two hours for a large ham, glazing every 20 minutes. Remove from the heat when the glaze is golden and sticky. Transfer the ham to a cutting board and let it rest for 15 minutes before carving. Serve with the roasted apples.

*Recipe supplied by IGA Marketplace on Wises Road.*

## ROLLED PORK WITH APPLES AND CRANBERRIES

**Serves 6**

### Ingredients

- 1.7kg rolled pork loin
- 1 large chopped apple
- ⅓ cup dried cranberries

### Method

Untie the pork and roll out. Place the chopped apple and cranberries on the flesh along the centre, length ways. Season. Roll back up and tie with butcher's string. Preheat oven to 240 degrees. Rub the skin with sea salt. Place in a roasting pan and roast for 30 minutes. Reduce the heat to 200 degrees and roast for a further 50 to 60 minutes, or until juices run clear when pierced. Allow to rest before serving.

*Recipe supplied by Fresh Meats, Wises Road.*

## CHRISTMAS PORK WITH CRACKLING

**Serves 6-8**

### Ingredients

- 2kg boneless or bone-in pork shoulder

### Method

Preheat oven to 240 degrees. Season meat and skin generously with cracked pepper, sea flakes and dried sage. Transfer pork to a roasting dish and roast for 50 minutes. Reduce temperature to 160 degrees and roast for a

**tip**

*Season with fresh sage for a festive flavour*

further 90 minutes. Increase the temperature back up to 230 degrees and roast for a final 10 minutes, or until the rind has turned into a golden crackling and the pork is cooked through. Remove from the oven and allow to rest for 15 minutes before carving.

## TIPS FOR THE BEST crackling

Place pork, uncovered with the rind facing upwards, in the refrigerator for at least one hour, or overnight if time allows. Allow pork to come to room temperature one to two hours before roasting. Use a sharp knife to score the rind in one-centimetre intervals. Thoroughly pat the skin dry with paper towels before seasoning.

*Tip: Save time and pre-score the skin the day before.*
